Optional Extras

Here at AllMedicalDisplays, we can help you build a bundle that incorporates not just a medical monitor but medical carts for easy manoeuvrability. To make an enquiry, simply contact our friendly sales team.

More workstations and carts are available upon request.

Laptop on Wheels

The **laptop on wheels** is an essential solution for any medical setting. With its light-weight, ergonomic design, this mobile workstation was designed specifically with busy wards and tight bays in mind.

WorkFit-C, Dual Sit-Stand Workstation

The **WorkFit-C** was designed with busy on-the-go healthcare professionals in mind. Combining ergonomics and manoeuvrability with an adjustable sit-stand desk and dual-wheel castors, this workstation can be paired with two medical displays and can make getting that second opinion easier than ever.
